Jared Burns

United States of America

WASHINGTON
Columbia Valley

OVERVIEW

Revelry is the brainchild of Jared Burns, for whom a career in wine must have been latently preordained, as he is the scion of the inventor of the synthetic cork! A passionate craftsman of Washington State wines, he sources fruit of the highest possible quality he can find from some of the choicest plots in the Columbia Valley, including the Wahluke Slope, Horse Heaven Hills, and Red Mountain AVAs. One of the principal goals of Revelry is to provide consumers with Washington State wines of exceptional value.

Varieties:

White: Chardonnay, Riesling, Sauvignon Blanc

Red: Cabernet Franc, Cabernet Sauvignon, Merlot, Syrah, Petit Verdot

Average Production:

16,000 cases

WINES

Revelry Riesling

Made with a nod to the old world style but created in the style that speaks of Washington State Riesling. It has an impeccable balance of minerality, honey, fresh peach nectar and Juicy grapefruit supported by refreshing acidity.

Revelry Chardonnay

Chardonnay with the robust feel that is typical to the variety, but with the sort of refreshing zip that is more readily associated with European wines. The fruit profile, consistently pear-toned with tropical undercurrents, remains true to its domestic provenance.

Revelry Cabernet Sauvignon

A broad-shouldered, ribald wine with the beauty of the classic black fruits of Cabernet Sauvignon. A small addition of Merlot amplifies the base of the wine, which is adorned with elegantly defined notions of vanilla and pie spices.

Revelry Merlot

An utterly drinkable Merlot with a luxurious texture and soft but still well-delineated black and blue fruits. Easy, elegant, and fresh with satisfying depth and warmth (although not the kind of warmth associated with high alcohol...), it's a fine reminder of what Merlot can be.

Revelry The Reveler

A blend that changes with the whim of the winemaker each vintage...

2009 Vintage: this go around Cabernet Franc is back in the drivers' seat at 36%, with Merlot and Cabernet Sauvignon at 36% and 28% respectively. Lush and full with an extraordinarily long finish, Jared thinks this is the best Reveler blend he has made.

Revelry Reserve Blend

The Reserve Blend is just that. Comprised of just nine of Jared's finest barrels of wine, and blended from four varieties, and two sites, this blend is velvety smooth, with flavors of red fruit, and caramel. "I find that the flavors sit right on your palette and linger. It is a truly enjoyable experience." - Jared Burns

2008 Vintage: 44% Merlot, 22% Cabernet Sauvignon, 22% Syrah, 12% Cabernet Franc

ACCOLADES

"Revelry Merlot: Fresh and juicy, a core of ripe blueberry and currant fruit morphing into mocha as the finish lingers."

Harvey Steiman, *Wine Spectator*

"One of the Top 10 Best Reds in Washington under \$20"

Seattle Magazine

"...this award-winning Merlot displays aromas and flavors of blueberry and black cherry, oak and spice."

Seattle Times Sunday Magazine
